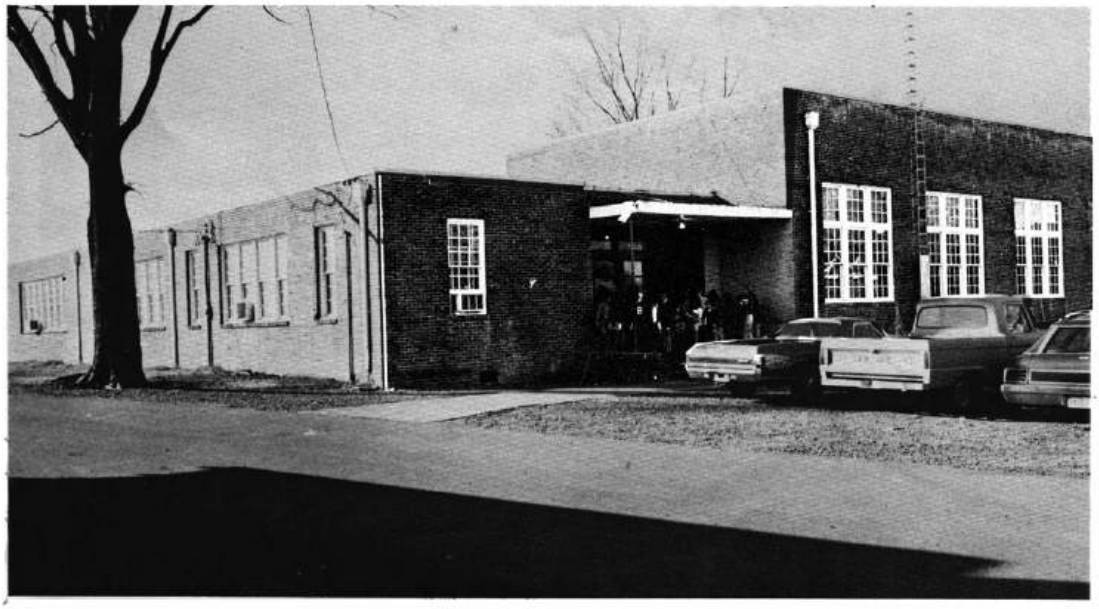
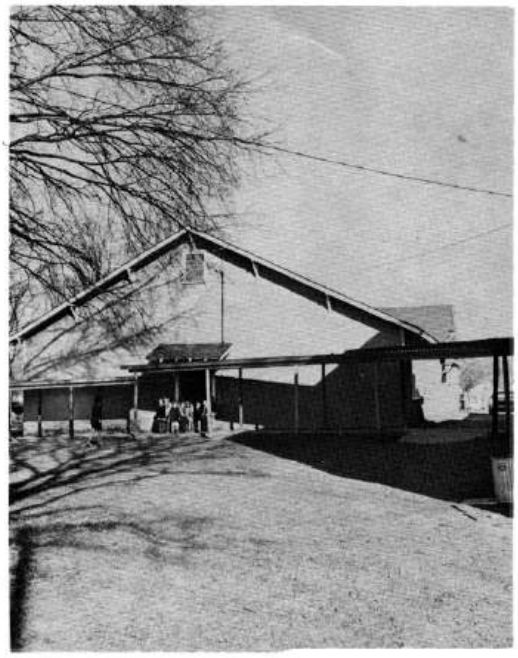
TROJAN '74



TROY JUNIOR HIGH



PRINCIPAL - Charles A. Morris

"Nothing to do; might as well go fishing."

"Practicing without a license."

"And away we go!"

Dedication

By her friendliness and understanding she has endeared herself in the heart of each of us. She has proved herself an excellent teacher and a sincere friend. We affectionately dedicate this 1973-74 Trojan to Mrs. Willis Roney, who devoted twenty three years teaching in Obion County, thirteen of which were spent at Troy Junior High.
